OutReach

We strive to support those in need in our community at local, national and international levels by offering our time, skills and resources. At The Church of St. Andrew and St. Paul Mission and Outreach is active in many ways, both within the doors and

outside in the community. To learn more please contact outreach@standrewstpaul.com

Coffee and Fellowship

This activity takes place following Sunday worship throughout the year and allows the congregation to meet and talk over coffee, juice and snacks. It is also an opportunity to welcome newcomers to our church.

Twining

Our congregation is twinned with the Saskatoon Native Circle Ministry, a shared journey in faith that has taught us much about Indigenous history, culture and spirituality. It has inspired us to reach out to our native brothers and sisters in Montreal.

Urban Charities

Our church supports local charities financially in the important work that they do in the community. Members of the congregation are encouraged to become involved by helping our charities in many ways.

Presbyterian World Service and Development

We support PWS&D, a program of our national church, through fundraising efforts by our church school and through special programs. In addition, the congregation is encouraged to send financial support to various communities during times of special need.

Sponsorship

The church has been active in resettling refugees from Burundi and Syria to Canada and helping them integrate into their new surroundings and communities.

Quiet Garden

Established for our bicentennial in 2003, the Quiet Garden is open to the public as an urban oasis for meditation and prayer, as well as for church events.

Open Church

We open our doors during summer weekdays to welcome visitors, show them our place of worship, and to tell them about our church life, past, present and into the future.

Trafalgar School for Girls Leadership change

Trafalgar School, just up the hill from the church, has important links with our community. The school was founded by members of this church 128 years ago, and four members of the School Advisory Board must come from our congregation as must the Minister. Our friend Geoffrey Dowd has just completed 22 successful years as Principal and has retired with appropriate acknowledgements and accolades.

The new Principal is Ms. Katherine Nikidis, the 11th Principal of Trafalgar School for Girls. Formerly Head of School at Miss Edgar's and Miss Cramp's School (ECS), Ms. Nikidis provided strong leadership and led significant changes in that school's academic and co-curricular programs. She is well-known in educational circles as a visionary educator who is passionate about innovation, girls' education and creating relevant learning experiences and opportunities for girls. Prior to her headship at ECS, Ms. Nikidis was Senior School Director at St. George's School of Montreal, and previously a teacher of science at The Study, and at Wagar High School.

Under her leadership, we eagerly look forward to the continuing links between our two communities. Welcome, Ms. Nikidis!
